LOOKING TOWARDS THE FUTURE OF AGRICULTURE.

"We are proud to be a resource partner with the Georgia Grown Innovation Center to help companies in this area. We have experts in 6 key industries and our focus here has been on Ag-Technology. We are happy to be here and support companies locally."
David Nuckolls, Executive Director, Georgia Center of Innovation

"The team that supports GGIC Members is top notch and unparalleled. They increase our access to resources, challenge us to think more broadly, connect us with strategic partners, and show up for us in ways we haven't experienced before. Their investment in small businesses is changing the dynamics of our local economies and communities in ways that will enable us to thrive well into the future."
Becca Creasy, Owner of 920 Cattle & Company, GGIC Member
